# Dear Potential Sponsor,

We're thrilled to invite you to partner with The Purposed & Powerful Podcast as a sponsor for our upcoming event, Restoration 2026: Rejuvenation, happening on May 15, 2026.

This annual gathering brings together women from diverse walks of life for a powerful day of inspiration, connection, and transformation. Through impactful speakers, breakout sessions, and intentional community-building, we aim to equip attendees with the faith, tools, and confidence they need to rise in every area of their lives.

Your sponsorship will play a vital role in covering event expenses, supporting speaker engagements, and providing take-home materials that empower each woman well beyond the event.

We'd be honored to partner with you in creating another unforgettable experience.

Warmly,

**Erica Lester**
